Good evening Mr Aslan,

I hope you have been well.

You may not recall but we had been in touch some months back when you interviewed Dr. Jake Glanville, CEO of Centivax, to discuss COVID and vaccinations.

I wanted to reach out because I also work with the African Investment Forum and Chinelo Anohu, the head and senior director of AIF. With the upcoming economic summit (17-18<sup>th</sup> of December) between Turkey and Africa, I wanted to gauge your interest in interviewing Ms. Anohu. She can provide unique insight into the importance of economic engagement in Africa by the global community, and how to ensure that projects across Africa have positive ecological and social impacts.

[Here's](#) more information about Ms. Anohu.

Please let me know if you would like additional details or have any questions.

Best,  
Eric
